

The background of the entire image is a photograph of a honeycomb. On the left side, a large, irregular piece of honeycomb is visible. On the right side, there is a glass jar filled with honey, with a wooden honey dipper resting in it. A smaller piece of honeycomb is placed next to the jar. The overall aesthetic is warm and organic.

## ABOUT US

Honut Foods is a wholly owned Zimbabwean business corporation. The business was founded in 2011 by Lovemore Zvikomborero Mupeti (B.Sc. Hons Degree in Economics, UZ). The business is centered on food manufacturing, packaging and wholesaling with distributors all over Zimbabwe and Southern Africa. Honut Foods Managed to establish strategic alliance with world class enterprises by developing health food products for a high quality lifestyle to over 100 thousand consumers

Honut Foods contribute to Society through donations to charity organisations as the company believes in corporate social responsibility. The business corporation operates within the standards set by Zimbabwean Government and assist a wide range of people. We also consider older people, people with disabilities and young people.

Our educated and successful management and institutionalised workforce contributes to the strategic goals of Honut Foods. Having an unbeatable team in terms of research, innovation and professionalism has enabled Honut Foods to be recognised across the nation.

## VISION

To build the best healthy food products, cause no unnecessary harm, use business to inspire and implement solutions to the environmental crisis.

## MISSION

Provide consumers with quality and healthy products and opportunities of education.

## MOTTO

Contributing to Zimbabwe through industrialisation, and building our nation through healthy lives and a powerful spark that comes from healthy products

## ORGANISATIONAL PRINCIPLE

People-oriented, relationship-centered, management-based and knowledge-guided
